Issue - 21/2012

## FROM THE CHAIRMAN'S DESK:

Welcome to Sree Sastha Group of Institutions. Hope you are happy to associate yourselves with our institutions which offer quality education at affordable cost through experienced and qualified human resource supported by good infrastructure. I take this opportunity to congratulate all the Principals, HODs and Faculty Members for their sincere efforts in the previous academic year (2011-2012). It is good to see students on our campuses being groomed well to face the challenges of life and work comfortably. Learning is in fact, a lifetime process. Learning to learn effectively is what really matters. I am happy to note that you are all really interested in nurturing this habit formation required for high order thinking and learning. It is our pride to provide the much required young talents to serve the nation through our vigorous on campus trainings. The due support from the Parents for this noble cause makes us grow stronger than ever before. It would be my pleasure to welcome such a healthy cooperation from all the well-wishers of our institutions. From the Chairman's desk, I wish you all yet another successful year. I wish all of you to aspire for reaching some definite goals of your lives this year which may eventually bring laurels and credits to our institutions as well.

**DR. A.M.K. JAMBULINGAM**

## Vice Chairman's Message

Greetings to one and all.

Sree Sastha Group has now established itself as one among the best institutions in Chennai. It is good to note that every year more and more students from our group of institutions are being placed in leading MNCs and reputed organisations. At the outset, I congratulate all those who have put in hard work to accomplish this wonderful task. I think the time has come to show the world that students from our institutions can successfully meet and excel in any sort of work place requirements. Rather than merely being good at academics I believe in overall personality development, because the need of the hour is an independent human resource capable of functioning even in the wake of unfavourable situations. I am sure from the pages of this newsletter; one can easily witness the progress made by all the institutions and departments in all spheres of education, extra-curricular activities, sports and games etc. I sincerely hope that all these things are possible not only due to the necessary infrastructure and a conducive academic atmosphere prevailing here, but mainly because of the persistent efforts of the faculty members and supporting staff who do not just stop with planning ahead, they execute their plans well to ensure success.

Meanwhile, due to recession in US, Europe, and Japan we witness a general slowdown in placement activities everywhere. But, here is good news; though the world is growing old, India is turning young. In other words, India will have more number of young human resources. This demographic dividend could add 2 percentage points to per capita GDP growth per annum, according to the IMF. MHRD & Planning Commission of India view that by 2020, around 2 crore (20 Million) students will be doing higher education. However, India's young people will need to develop the right skills for the modern job market. And we will be happy to play our part, i.e. supplying the much needed trained man power through the quality education we provide on our campuses.

It's my pleasure to know that this year also we have groomed a set of students with high potential, and hope that our glorious march towards accomplishing the dreams of our group of institutions will continue in the years to come as well.

**Prof. J. Karthikeyan B.E., M.B.A.,**

**SREE SASTHA INSTITUTE OF ENGINEERING AND TECHNOLOGY**  
**CHEMBARABAKKAM, CHENNAI- 600 123.**

**Principal's Message**

Sree Sastha Institute of Engineering and Technology has created a niche for itself over the past decade. I wish to state that we are able achieve this feat due to systematic work based on sound planning in advance and rigorous review of the progress at every stage and openness for change of plans in proper direction whenever necessary. Besides, despite the time pressure, I personally make it a point to appreciate the individuals on their every success because celebrating success duly reinforces the necessary motivation required to aspire for more and more and reach the pinnacle. I have come across a number of faculty members with a genuine interest to be the role models. I know how painstaking it would be but I have seen them march ahead successfully. Last but not the least, the power of strong alumni is indeed immeasurable and the history of the institution has to be measured by the number of successful students with high achievements. It reflects our true strength obviously. I am glad to wish you all success once again.

**Dr. R. Varatharajan B.E. M.Tech., Ph.D.,**

**TRAINING AND PLACEMENT CELL**

To prepare the students for employability, training is arranged for the pre-final and final years in areas such as aptitude tests, soft skills and communication. In addition, value - addition programs specific to their branches are arranged to enhance their potential for employability / career growth. Frequent guest lectures by practicing HR executives are also arranged to provide them with input on industry requirements / expectations.

Interviews are arranged either on-campus or pooled-campus for placement and our aim is to place all the eligible students in suitable jobs before they complete the programme here. Many of our students have been placed in the leading companies like Infosys, WIPRO, TCS, L & T Infotech, CTS, and HCL etc. A separate cell advises the students planning to go abroad for higher studies. It also helps them in identifying agencies for preparing for GRE, TOEFL, ILTES etc. The Entrepreneurship Development cell conducts programs, guest Lectures etc., on starting their own business to the students who wish to become entrepreneurs.

**CAMPUS RECRUITMENT DRIVES - 2011-2012**

S.NO	COMPANY	BRANCH	SELECTED
1	HCL	CSE, IT, ECE, EEE & MCA	76

**So far 32 interviews have been arranged and 302 eligible students in different streams have been placed.**

## Institutional Activities

Sree Sastha Institute of Engineering and Technology organizes a number of Faculty Development Programmes, In-service Training Programs, Orientation Programs and the like to make the faculty members stay up-to-date in imparting quality education to students of our institution. In this series, in association with National Institute of Technical Teachers' Training and Research (NITTTR) from 5th to 7th July 2012 - a three day training program under the theme 'Instructional Design and Delivery' was conducted. Dr. E. S. M. Suresh the coordinator of NITTTR and Dr. T. Jagethrakshakan handled the sessions as resource persons.

**Students' cultural programme during NAAC visit**

Similarly, a one-day orientation program on 'National Board of Accreditation' process was conducted on November 9, 2012 to update the faculty members with the current developments and trends. The resource person was Prof Dr. D. G. Kakde, Director of VJTI, Mumbai. On December 19, 2012 a one-day workshop on "Relevance of applying ISO standards" was conducted for the successful implementation of ISO standards on our campus. The ISO consultant of our institution gave a lot of inputs on the occasion. At the beginning of this academic year, NAAC committee visited to assess how far the standards followed here are in accordance with the recommendations and framework of NAAC. NAAC assesses each institution based on following points: 1. Curricular Aspects 2. Teaching-Learning and Evaluation 3. Research, Consultancy and Extension 4. Infrastructure and Learning Resources 5. Student Support and Progression 6. Governance and Leadership 7. Innovative practices And our institution is accredited with 'B' Grade by the National Assessment and Accreditation Council (NAAC).

### Training programs organised

S. No.	Name of the program	Organization	Students
1.	JAVA & NET	Zi Technologies	Final CSE, ECE, IT
2.	Ansys & Hypermess	PROCAE	Final Mechanical
3.	Switch Gear & Allied Electrical Equipments	L&T	Final EEE
4.	BIO PROCESS	ARMAT BIOTECH	Final IBT
5.	BIO INFORMATICS	ARMAT BIOTECH	III IBT

Every year for the benefit of student's welfare and employment opportunities training to our students are given through the following organisations

S. No.	Organization		
1.	Time	Focus Academy	Armat Biotek - BioTech
2.	Vista Mind	Manya Education Pvt Ltd.	ZI - Technologies - CSE, IT
3.	Permit Solutions	NIIT - CSE, IT	Aspiring Minds Common Aptitude Test - All final years
4.	Ethnus	L&T - EEE	NACTECH (Nasscom Placement Test - All final years
5.	Smart	RSR Technologies - ECE	Sri Ganga Paduka Engineering Consultancy PVT LTD., - EEE

### Department of Automobile Engineering

Laboratory facility added:

A separate CAD lab for the department has been established with 40 terminals of high configuration computer systems.

- Award received for mobilizing more than 500 Donors:**  
The Madras Voluntary Blood Bureau has awarded the NSS Unit of our college with a Shield for mobilizing more than 500 Donors during the Blood Donation camp conducted in our campus on 14/03/2012 organized by NSS UNIT, YRC UNIT & INDIAN BANK in association with The Madras Voluntary Blood Bureau.

Our NSS Officers receiving the award for Blood Donation Camp in a function held at Chettinad Vidhyasharam Matric Hr. Sec. School, R. A. Puram, Chennai on 24/08/2012

- NSS General Orientation Training Programme attended by our NSS Programme Officer**  
Our Programme Officer Mr. V. Chandramouli has attended NSS Orientation Course conducted by Empanelled Training Institute, Madras School of Social Work Egmore from 11/09/2012 to 17/09/2012

A seminar on Awareness on Blood Donation and Dengue Fever Awareness

- NSS Day Celebration:**  
The NSS DAY was celebrated in our college campus by conducting a seminar on Awareness on Blood Donation and Dengue Fever Awareness. Dr. Ramakrishnan, MO, GH, Poonamallee & Mrs. Meena, District Malaria Officer conducted an awareness program on our campus on the NSS Day Celebration.

Empanelled Training Institution - ETI  
Orientation Course for NSS Programme Officers

**Blood Donation Camp on  
National Blood Donation Day on our campus**

**4. Blood Donation Camp on National Blood Donation Day(01/10/2012)**

Blood Donation Camp was conducted in our college campus in view of National Blood Donation Day (01/10/2012). The camp was organized by NSS UNIT, YRC UNIT & PHC NEMAM.

Dr. V. K. PALANI, MBBS, DPH, DIH, Deputy Director of PH & PM, Institute of Public Health, Poonamalle, Chennai, inaugurated the camp by providing the first pocket for collection of blood from the donor. Dr. P. RAVINDRAN, M.B.B.S, D.C.P., MO I/C, Dept. of Blood Tranfusion, Govt. Kilpauk Medical College & Hospital, Chennai and Dr. P. Ravindran co-ordinated the teams to collect blood from donors and about 103 blood units have been collected.

**SREE SASTHA COLLEGE OF ENGINEERING  
CHEMBARABAKKAM, CHENNAI- 600 123.**

**PRINCIPAL'S MESSAGE**

Education is the acquisition of the art of Utilization of knowledge. Giving education to a child is worthful than building shrines and raising charities. Education is to feed to the level of learning process. Such learning ladders one's life to zenith even if something intervenes. SSCE promotes leadership quality, potentiality, noble thoughts, morality of life and novelle ideas. Our objective is to create preponderant, diplomatic Engineers to compete anywhere in the world. Our college shows a progressive improvement in The University result and placement incorporate with our versatile faculties. With utmost intent, I acclaim all my students and staff to get success in the endeavours of career development, with the hope that we reach one day as IVY's League in the standard of education and social prestige.

5.	Prem Kumar - III CSE	Volleyball Tournament	Sri Venkateshwara College of Engineering, Chennai.	3rd prize	—

## Training & Placement

A separate placement cell functions to ensure the placement of eligible students. The placement cell provides training to sharpen the skills required for facing interviews, communication skills, personality development, competitive examinations etc. The placement cell organizes training programs in Industries and Research Centers, Summer Training Camps for the Third and Final Year students. This kind of training brightens the job opportunities and practical training exposure and provides direct in-field experience to the students.

### Training programs organised

S. No.	Name of the program	Organization	Students
1.	Embedded System	RSR Technologies	III ECE
2.	Power System	Sri Ranga Paduka Engineering	III EEE
3.	R & AC System	A.M.K. Polytechnic College	III Mechanical
4.	Soft Skills	ETHUNUS Consultancy, Bangalore	I Years
5.	Attitude and Personality Development	Manya Education Pvt. Ltd., Chennai	II Years

## Placement details

Students of final year CSE & ECE have been placed in various MNCs with attractive salary packages

S. No.	Name of the student	Organization
1.	B. Bhavana	CTS
2.	Deepika.M	CTS
3.	Sitara Ramesh	CTS
4.	J. Yamini	CTS
5.	K. C. Abhinand	CSS
6.	D. M. Dafny Lydia	CSS
7.	D. Kavitha	Enzen Global Solutions
8.	Foram P. Shingala	Hexaware and CTS
9.	S. Sanjitha and Suvadha	OCJP (Oracle Certified Java Programmer)
10.	S. Sowmiya	Sutherland Global Services

## Library

Sree Sastha College of Engineering has spacious Library measuring more than 5200 sq.ft. carpet area well stacked with more than 7,000 books on 2,100 different titles on subjects like EEE, ECE, CSE, Mech. Engg., and S &H. The Library includes reception counter, stack room, study halls, journal section, digital library, reference section for referring books, hand books and encyclopedia, etc. National and International journals on different fields are also available to nurture the research activities among the faculty and the students.

# SREE SASTHA COLLEGE OF NURSING

CHEMBARABAKKAM, CHENNAI- 600 123.

**Nursing is an independent Profession  
and has its own identity ..... - WHO**

## Vice Principal's Message

Welcome to Sree Sastha College of Nursing where excellence, innovation and creativity are ideas we put into practice daily. We have an exciting environment on campus that includes Classroom and Clinical Laboratory learning experiences and off campus in a variety of outstanding patient care settings. We strive to create a rich academic environment to the Students. We aim at producing dedicated students to serve the society.

- Lamp Lighting Ceremony was celebrated for the fresher's of 2012-2013 B.Sc. - Nursing Students. The Nightingale Pledge and Oath was taken by the young budding nurses.
- B.Sc (N) II & III year students have attended a workshop on "Neonates on life sustaining treatment rejuvenating health care perspectives".
- In order to update the knowledge, a Staff Development Programme was conducted in which guidance for Journal Presentation was provided.

# SREE SASTHA COLLEGE OF EDUCATION

CHEMBARABAKKAM, CHENNAI- 600 123.

## Message from Principals' Desk

Teachers are entrusted with triggering the fire of learning in their students mind and keeping it alive. In doing so, they make a lasting impression on the young minds in their case. But in the light of the growing challenges faced by the teaching profession in the 21st century, many believe that the teaching styles of the past are not practicable in this new scenario. The teacher foster a dynamic classroom environment that will bring out the best in students, the Art of teaching is a book. Teacher can return to again and again at each stage a few words of wisdom to inspire and stimulate them to face the challenges before them. A teacher as a friend, philosopher and guide is very essential in this present scenario. The guidance and support from the teaching society will produce eminent and potential pillars of tomorrow. Our college (B.Ed/M.Ed) produces most dedicated, skilful and knowledgeable teachers to meet the needs of the society.

*Dr. T.S. Vimala*

## FACULTY ACTIVITIES

### Paper Presentations in Conferences (International / National):- 1

S. No.	Name and Designation	Title of the paper	Details of conference	Month and Year
1.	Dr. T. S. Vimala, Principal	Sharing of Research work in Educational sciences	A national conference at SRM University, Chennai	December 7 & 8, 2012

### Workshops attended or participated by Faculty:- 1

S. No.	Name and Designation	Title of the event	Venue	Date
1.	Ms. R. Uthra AP - English	A one-day workshop on Research Methodology	St. Peter's college, Chennai.	December 6, 2012

# AMK TECHNOLOGICAL POLYTECHNIC COLLEGE

CHEMBARABAKKAM, CHENNAI- 600 123.

## Principal's Message

The need of the hour is enhancement of knowledge, employability skills, coping up with the life skills and sharing of thoughts and visions for a successful career. Professional development is a consistent growth process. But it needs positive nurturing and continuous caring. I assure and wish that this true purpose delves deeper to its fullest potential to bring out laurels for our institution.

*Prof. A. Vijey Kishoor M.Sc., M.Tech., MISTE., MIIM.,*

## Placement Cell:

The Placement Cell has arranged a no of on-campus interviews and off-campus interviews and successfully placed around 40 students with a good salary package.

Our Students are placed in the following companies:

S. No	Name of the company	Place
1	UCAL	Maraimalai Nagar
2	Saveetha Groups of Companies	-
3	Emulson	T. Nagar
4	Aqua Pure	Ramapuram
5	Addition Indian Private Limited	Irungattukottai
6	TRR Aurto motivate	Sriperumbudur
7	Roll well Beanings	SIDCO Industrial Estate, Thirumudivakkam

## Short Term Courses / FDP / Seminars / Symposiums / Guest Lectures attended or participated by Faculty:- 3

S. No.	Name and Designation	Title of the event	Venue	Date
1.	Mr. Ramu Lecturer (Senior Grade)	Instructional Design and Delivery system	NITTR, Chennai.	July 30 - August 13, 2012
2.	Mr. Ramu Lecturer (Senior Grade)	Teaching and learning Communication and Soft Skills	A. C. College of Engineering & Technology, Karaikudi.	September 24 - 30, 2012
3.	Mr. Ramu Lecturer (Senior Grade)	Vibration and Tribology related Issues in Industrial scenario	GCT, Coimbatore.	October 2 - 8, 2012

## Paper presentations/Industrial Visits by Students:- 3

S. No	Student Name	Semester - Branch	College	Topic	Achievements
1	R. Mohanraj & N. Manoj Kumar	5 - DME	Vel Tech Polytechnic College, Avadi, Chennai.	Advances in the Manufacturing Technology	First prize
2	D. M. Karthik & D. M. Ashiq Babu	3 - Civil	Vel Tech Polytechnic College, Avadi, Chennai.	Environmental Pollution and control	Second prize
3	T. Amalraj & M. Kannan	5 - EEE	Vel Tech Polytechnic College, Avadi, Chennai.	Power Crisis in India	Second prize

### Industrial Visits arranged for students:- 3

S. No.	Name of the Industry	Year of study	Branch
1.	1. Nutech care (P) Ltd, Vanagaram 2. Mando India Ltd, Irrungattukottai 3. Delta Control Systems, Ambattur 4. Technique Industries, Villivakkam & Ambattur 5. Esteem Polymer Products (P) Ltd, Kuthambakkam 6. AP Tools, Thirumazhisai and 7. Balaji Industries, Thandalam.	Final and Second year	MTM & RFT
2.	1. Ennore Thermol Power Plant - Ennore. 2. TNEB 400 KV, SS, Sriperumbudhur,	Final and Second year	EEE
3.	1. Building Expo in Chennai Trade Centre 2. Dhakshan Chitra in Chennai	Final and Second year	CIVIL

#### Scheme of Community Development through Polytechnic:

1. Auto Mechanism and Air Conditioning mechanic courses were conducted under Tamil Nadu Women Development Project, Thiruvallur District, at Sri.Sarvodaya IIT on 8 January 2013 and on 30 January 2013 at Sriperumpudhur.
2. Trainings on Saree Embroidery, Artificial Jewellery Making, Soft Toys making, Simple Chemical Products are imparted as Community Development Activities in all the Extension Centers of our Polytechnic College.

#### Club Activities

S. No.	Name of the guest of honour / resource person	Title of the event	Date
1.	Mrs. Amudha , RRC District Manager, Thiruvallur	Celebrating life	December 20, 2012

#### NSS Activities:

An NSS Camp was conducted from 22nd Feb'2013 to 28th Feb'2013 at Thirumazhisai village. NSS volunteers took active participation in black board painting and gardening in the local school and mending the road in the village.

Besides, a soft skills training programme covering important topics like Time Management, Career guidance, Motivation, Leadership Skills, the Secret of Success, Positive Attitude and Youth Empowerment is also conducted. During the camp General health check-up and Eye check-up are also conducted.
